For a complete list of Seattle Public Library publications, see inside of back cover.

# Municipal Government

This list of books and periodicals on municipal government is printed in the hope of making the material listed more useful and available. The list is merely suggestive and does not comprise all that the library contains on any one of the topics in the list.

An "R" prefixed to the call number of a book indicates that it must be called for and used in the reference room. An asterisk (*) preceding the author's name indicates that another copy may be found in the circulation department. Pamphlets are designated by the abbreviation "Pam." prefixed to the call number. Bound periodicals, government documents, and pamphlets are in the reference department.

Upon request from a borrower at any one of the branches, any book in the children's room or any book in the circulation department (except works of popular fiction) will be sent to that branch and the person requesting the book will be notified of its arrival.
